Hangzhou Remember Fabric Co.,Ltd
No.888 Chongchao Rd, Chongxian, Yuhang District,
Hangzhou 310006 China

Dear ,

Through the UTrust® verification program, using Fiberprint® technology, Unifi is pleased to advise you that the following sample as referenced below has passed the REPREVE® Certification Standards:

Item Number: RC06010128 (LSSI-101)

Program: Raytex/Lovesac

Content Percentage: 100% REPREVE Recycled Polyester

Structure/Construction: Woven, Twill

Content Information: Warp&Weft: 1.4D*38mm REPREVE recycled polyester fiber

Applicant Information:

REPREVE® Certification Number: RPV-33591

Issue Date: February 25, 2025 Expiration Date: February 25, 2026

*Note: This certification covers the period of one year. Re-certification is required for active programs on an annual basis.

Unifi Textiles (Suzhou) Co. Ltd. is excited to be working with your company and we look forward to additional new programs.

This certification is provided as of the date written above and for the sole and exclusive benefit of the recipient identified above, and it may not be relied upon by any third party. This certification relates only to the submitted sample identified above and does not extend to any other product(s) or material(s). This certification is void if doctored, mutilated, forged, or otherwise altered or amended in any respect.

UTrust® *verification does not warranty the content or performance of any product beyond the submitted sample. It is the responsibility of the Brand/Retailer to verify production orders have received the UTrust® Certification.*

Best regards,

Luka Yuan
